

Istruzioni Internet Sunmi

Converti da rete mobile a WiFi

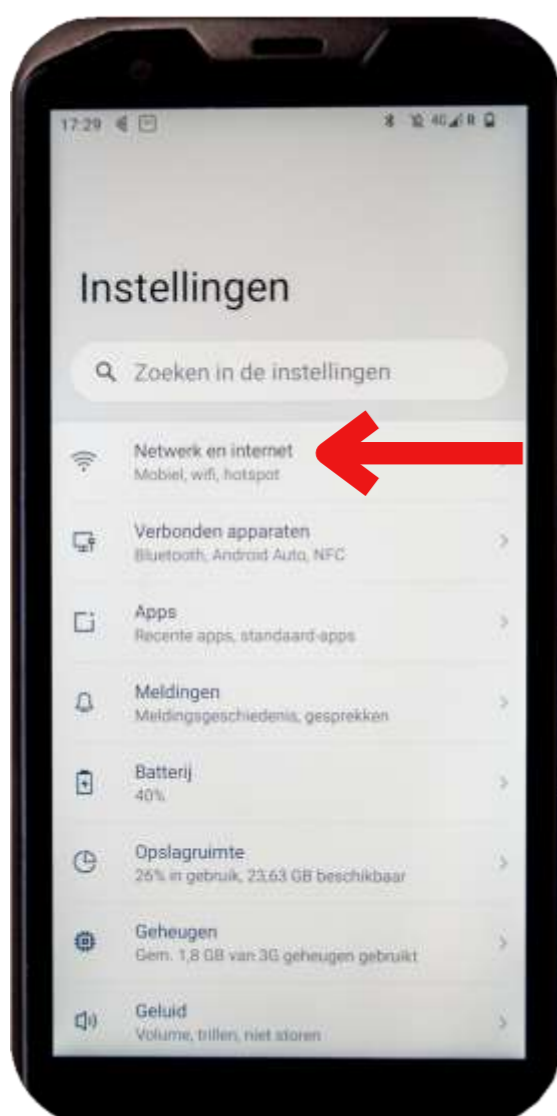

Scorri il dito dal basso verso l'alto
Swipe your finger from the bottom to the top.

1

**Fare clic sull'icona
'impostazioni'.**
Click on the 'settings' icon.

2

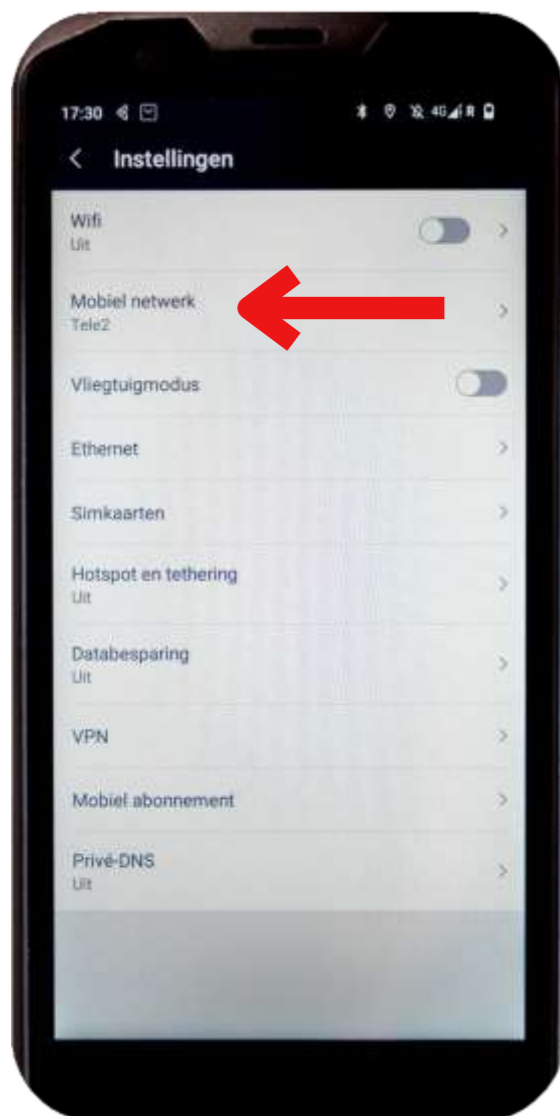

Fare clic su 'Rete e Internet'.
Click on 'Network & Internet'.

3

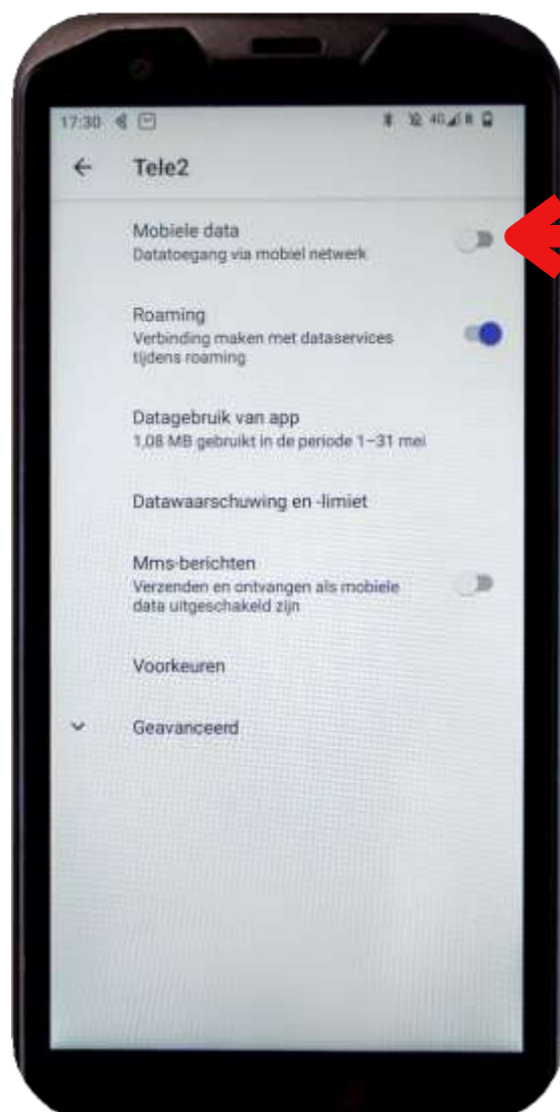

Istruzioni Internet Sunmi

Converti da rete mobile a WiFi

4

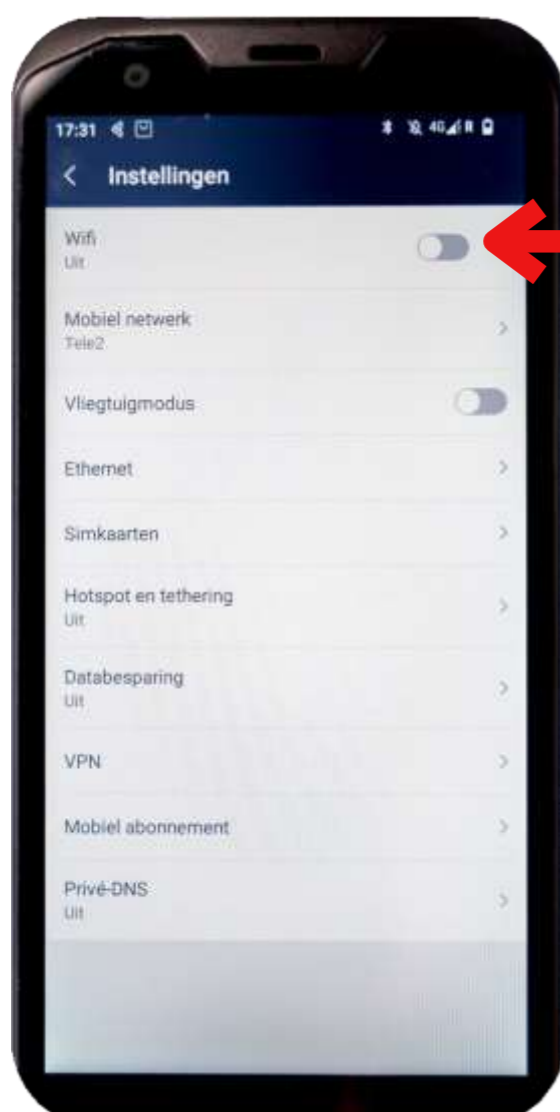

Fare clic su 'Rete mobile'.
Click on 'Mobile network'.

5

Fare clic sul punto blu accanto a 'Dati mobili' per disattivare la rete mobile.
Puoi lasciare 'Roaming' attivo.
Quindi torna indietro cliccando sulla freccia in alto a sinistra.

Tap the blue dot next to 'Mobile data' to turn off the mobile network. You can leave 'roaming' turned on. Go back by tapping the arrow in the top-left corner.

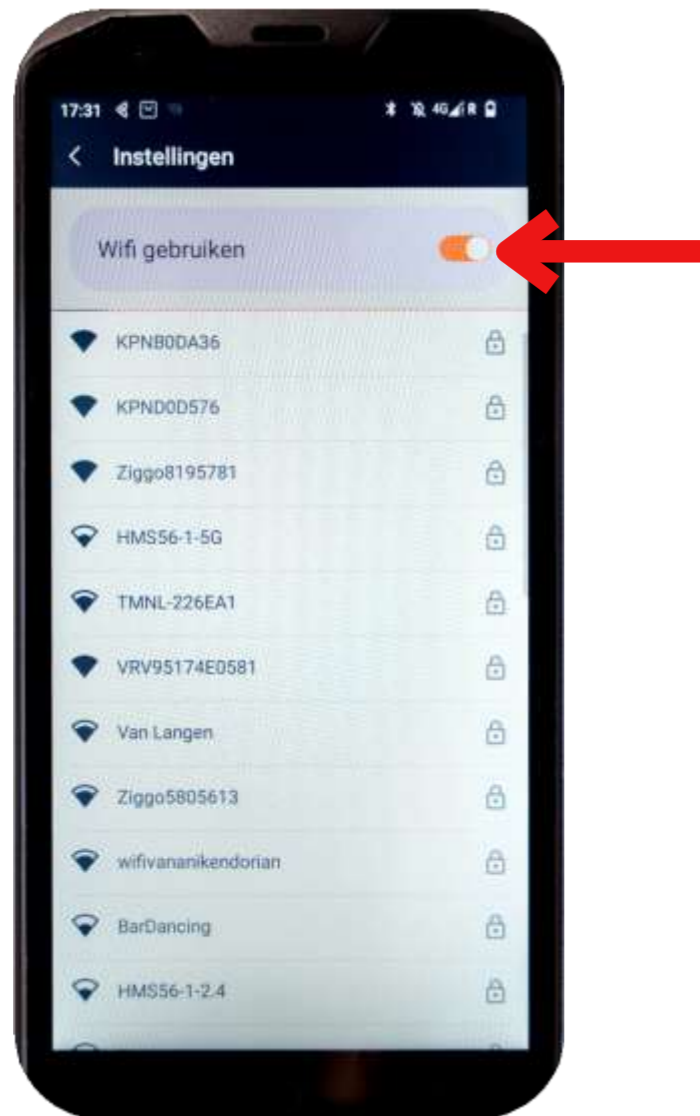

6

Attiva il WiFi cliccando sul punto grigio accanto a 'Wifi'.

Turn on Wi-Fi by tapping the grey dot next to 'Wi-Fi'. The dot will turn orange once it's enabled.
